

Kevin Ogborne **Workshop Presenter** **South West**

Kevin is friendly, determined and full of enthusiasm. Married to Debbie, he is ambitious and leads a very active life.

What makes Kevin different?

Kevin was born with Spina Bifida and hydrocephalus. When he was born his parents were told that Kevin would never walk or attend mainstream school. However he proved the medical profession wrong on both counts, although he does now use a wheelchair.

Work experience

- Apprentice for an electronic company
- Technical supervisor looking after 150 employees
- Service engineer for a printing company
- NVQ trainer and assessor
- Ran his own company doing electrical and electronic servicing

Interests

Kevin loves fast cars and is a fan of all motorsport, particularly F1.

He enjoys watching rugby and is a wizard with computers.

Kevin loves to go on holiday with his wife and other family members and especially enjoys camping on the south coast.

Kevin keeps fit by playing basketball and working out at his local gym (putting the rest of the JustDifferent team to shame!)
